WINE - FACT SHEET

GRAUBURGUNDER 2020 ■

In years like 2020, when our old Pinot Gris vines are at their best, we also want to expand a white wine in an international format. Powerful and full-bodied - the only downside is that there is so little of it.

■ CHARACTER

This powerfully developed Pinot Gris impresses with its delicate palpable freshness in the taste, juicy mild fruit acid background and its intense amber color. Full-bodied with an elegant structure.

ORIGIN ■

25 years old vines on the Heideboden in Gols, Burgenland, Austria

■ VINIFICATION

harvested by hand at the beginning of October
selection in the vineyard
cold maceration for 6 hours
fermentation in stainless steel vats at 18 °C
maturation on the yeast in 500 liter oak barrels
bottled in April 2021

FACTS ■

100 % Grauburgunder
alcohol: 14,5 % vol.
acidity: 6,1 g/l
residual sugar: 2,9 g/l
bottles: 0,75 l
serving temperature: 7 – 10 °C
