SAUVIGNON BLANC 2024 ■

Sauvignon blanc is exciting for the whole family. This prompted the planting of a small vineyard on the Golser Plateau with Sauvignon blanc. Thanks to its cool microclimate, this location delivers a mineral, multi-layered wine with lots of fruit and elegance.

■ CHARACTER

Pale yellow with a slight green tinge. The fragrance and aroma emphasize a grassy, paprika note. In the background fruit aromas reminiscent of black currants. Elegant taste with grassy flavor.

■ VINIFICATION

harvested by hand at the beginning of September
selection in the vineyard
fermentation in stainless steel vats 15 – 16 °C
maturation on the yeast in stainless steel vats and in large oak barrels
bottled in October 2024
